

All Saints C of E Primary School - Bedworth

PE Curriculum statement 2019/20

All Saints has high expectations for setting a solid base to engage and excite all pupils about PE and leading a healthy lifestyle. The new house system promotes a sense of belonging and competition amongst each pupil. The increase in physical activity during and after school has enabled pupils to develop new skills and tackle new adventures.

All Saints continues to strive for excellence in all aspects of sports and promote a balanced range of essential skills. We provide a high quality broad and balanced PE curriculum and daily physical activity opportunities that meet the needs of all pupils throughout Key Stage 2, Key Stage 1 and the Foundation Stage.

We aim to:

- To increase participation for all children from Foundation years to KS2.
- To increase awareness of a Healthy Lifestyle for all pupils, staff, family and friends.
- To raise awareness of the housing system across the whole school.
- To improve confidence and self-esteem through inter and intra-house competition.
- To continue the high standard set during the 2018/19 academic year and improve competition results.

School Games & Sports teams.

All Saints pupils use their knowledge and skills from PE to enable them to compete in local school competitions. All competitions are organised through the **School Games** and **Bedworth Primary Schools Sports Association** (BPSSA). Our pupils have and will continue to compete in various sports such as: Football, Dodgeball, Athletics, Swimming & much more. We are the **current 'Town Sports' champions** and also achieved the '**Gold mark**' in our first ever year of applying for the Sainsbury's School Games mark.

We have a School Games committee/ Sports Council to lead, support & inspire our younger children to become more active at break times. They also support me with improving PE and sport across school. The following six pupils represent the correct attitude when representing All Saints, showing great respect, sportsmanship and resilience.

School Games committee:

Rohan, Taylor & Abdul-Kareem - **Year 6**

Eunice, Zara & Max - **Year 5.**
