

MFL Intent and Implementation Statement 2019-2020

All Saints has chosen to teach Spanish as their Modern Foreign Language for a number of reasons. Spanish is the 2nd most spoken language, with more than 400 million native speakers on 31 different countries in the world. Spain is also where most of our families choose to spend their holidays enhancing the positive bonds pupils will make with a language that they have already been exposed to.

All Saints aims for a high-quality language education to foster pupils' curiosity, deepen their understanding of the word and nurture their desire to learn other cultures. Since it is a modern language, the focus will be on practical communication. The teaching approach must be inclusive and multisensory, planning in opportunities to listen to native speakers in Spanish, read Spanish words, write in Spanish and -most importantly- talk in Spanish.

At All Saints we aim to:

- Understand and respond to spoken and written language from a variety of authentic sources.
- Speak with increasing confidence, fluency and spontaneity.
- Write at varied lengths for different purposes and audiences using the vocabulary that they have learnt.
- Appreciate a range of writing in Spanish.
